Heartfelt Stories  
That Impact Our South Florida Community Every Day.

TROUBLING WATERS: A TURTLE’S TALE | WLRN
Troubled Waters: A Turtle’s Tale explores the impact of human behavior on our environment—as seen through the lens of one of South Florida’s most beloved and fragile underwater creatures—the sea turtle. Featuring acclaimed actor and ocean activist Ted Danson and narrated by Peter Coyote, this one-hour film takes a critical look at the effects of global warming, water pollution and our “throw-away” plastic lifestyle on this keystone species…and inevitably ourselves.

JOURNEY TO THE MACY’S PARADE
The story of one marching band and one attorney…chosen to participate in the nation’s most iconic holiday event. An uplifting and exclusive behind-the-scenes look at what it takes to participate in the Macy’s Thanksgiving Day Parade. From practice to performance and everything in between, viewers will watch as they prepare for the show of a lifetime! From the Sunshine State…to the Empire State…this is their journey.

TREBLINKA’S LAST WITNESS
A first-hand account of Samuel Willenberg’s life as a Jewish prisoner of the Treblinka deathcamp where an estimated 900,000 Jews were murdered in a period of just 13 months at the height of World War II. Samuel immortalized his Treblinka story in a series of bronze sculptures of the tragic victims who dwell indelibly in his memory like ghosts.

BOCA RATON: THE SECRET WEAPON THAT WON WWII
A secret weapons laboratory is set up in Boston to design and test an invention that could alter the course of the desperate conflict. The risky gamble Roosevelt and Churchill embarked on is also the story of South Florida’s pivotal role in the conflict, one that made the small town of Boca Raton the new battle front that would prove decisive in winning the war.

STREETS OF WYNWOOD
Every year during the Art Basel fair, street artists from around the globe converge on Miami’s Wynwood district to transform its streets anew with a riot of creative colors. Meet some of the world’s best exponents of urban art and appreciate firsthand how this once clandestine tribe of taggers, graffiti writers and muralists have claimed their place in the broader art world. It’s a dazzling experience.
